WELCOME TO THE FUTURE

A LEGACY OF ICONIC BRITISH ROADSTERS,
REIMAGINED FOR THE ELECTRIC AGE.

For a century, MG have created beautiful, accessible roadsters that ignite the soul, and the Cyberster carries that torch forward with all-electric power and futuristic design. Bold, daring, and unmistakably MG, this is the roadster reborn for a new generation of thrill-seekers.

BOLD BRITISH DESIGN

THE MG CYBERSTER IS THE PINNACLE OF BRITISH DESIGN. IT'S A BOLD FUSION OF CLASSIC MG HERITAGE AND CUTTING-EDGE ELECTRIC INNOVATION.

Designed in London, the MG Cyberster is a masterpiece of modern automotive design. While unmistakably futuristic, the Cyberster draws on MG's rich history, with nods to its classic roadster styling: a long bonnet, low nose, and sweeping curves. But make no mistake—this is a roadster reimagined for a new era.

UNMISTAKABLE STYLE AND PRESENCE

THE CYBERSTER ISN'T JUST ANY CAR;
IT'S A STATEMENT. EVERY CURVE,
EVERY LINE OF THE MG CYBERSTER
REDEFINES CAR DESIGN FOR
THE ELECTRIC AGE.

With its long, sweeping bonnet and low, aggressive
stance the Cyberster pays homage to MG's legacy,
while bold new elements—like scissor doors
and a Kammback rear—push the boundaries
of what a modern roadster should be.

DESIGN THAT DEMANDS ATTENTION

**BOLD, SLEEK, AND UNMISTAKABLY MG.
THE CYBERSTER'S SCULPTED LINES
AND DYNAMIC PROPORTIONS ARE
DESIGNED TO TURN HEADS - MAKING
AN IMPACT FROM EVERY ANGLE.**

The MG Cyberster doesn't just move—it captivates. From the dramatic scissor doors, the confident front end, or the sweeping curves that flow effortlessly to the rear, the Cyberster radiates charisma. With its low-slung stance and aggressive detailing, this is a car that thrives on being seen.
